We have hand sanitising stations for you to use when entering and exiting the yard. These are located on the main yard gate.

Please arrive in good time for your lesson but remain in your car. Do not enter the yard any earlier than 15 minutes prior to your booking. Your horse will be waiting for you in their stable.

Please untwist your reins, secure the throat lash and take your horse to the mounting block to mount, and check/adjust your girth and stirrups.

You will be met on the yard by your instructor who will direct you to the arena.

After your lesson please head back to the yard, dismount and secure your horse as it was found, in the stable you collected it from. Do not remove your tack.

Please do not 'say hello' to any other horses in their stables, or touch any items on the yard, including the dogs/cats.

Please exit the yard promptly after your lesson. Do not socialise with any other riders/liveries/staff.

Should you wish to reschedule, please ask a member of staff to meet you in the office, alternatively you can email with your convenient days/times, and we will be in contact.

We are now able to offer hat and boot hire. Please arrive in good time to allow for fitting of these items, and ensure any used items are left n the office desk for disinfecting after use/wear.

Please wear clean gloves for your lesson.

Please avoid bringing spectators to the yard, unless needed to assist with mounting. Any spectators must be from the same household/bubble, and must maintain social distancing from all staff and other riders/visitors on the yard.
